Case File 007

The Trailhead Dissappearance

Sarah Thomas

Age: 28

Date: August 14, 2006

Height: 5' 5'

Weight: 125

Hair: Brown

Eyes: Brown

Location: Charlotte, NC

Circumstance of Dissappearance:

Sarah was last seen in a wooded walking trail along the edge of a slow-moving river near her hometown in North Carolina. She was last seen wearing jeans, a gray hoodie, and red sneakers. She was wearing a necklace engraved with the letter “J”. She recently ended a relationship that friends describe as “intense but private.” Her car was found locked with the keys inside, parked neatly at the trail entrance. No signs of struggle but her phone has not been found.

Write your impressions. Don't edit. Trust the first flash.

Journal your impressions:

- What do you feel when you read this case?
- What stands out the most - the necklace, the trail or the car?
- Are there any **colors**, **scents**, or **sounds** that come to mind?
- Can you describe the **environment** she was in - what do you see, hear or feel?
- What kind of energy does Sarah give off to you - calm, anxious, detached, strong?

Reminder:

This is a practice space. There are no wrong answers. The goal is not to solve - it's to strengthen your intuitive voice.
